IN THE UNITED STATES DISTRICT COURT
FOR THE NORTHERN DISTRICT OF CALIFORNIA

IN RE STATIC RANDOM ACCESS MEMORY
(SRAM) ANTITRUST LITIGATION

No. M:07-cv-01819 CW
MDL No. 1819

FIRST PRETRIAL ORDER

The Judicial Panel on Multidistrict Litigation (MDL Panel) has transferred to this Court for coordinated pretrial proceedings certain antitrust actions relating to an alleged conspiracy to fix the price of Static Random Access Memory (SRAM), In Re Static Random Access Memory (SRAM) Antitrust Litigation, MDL No. 1819. On May 3, 2007, the Court ruled on motions for appointment of interim lead counsel pursuant to Federal Rule of Civil Procedure 23(g) for the direct and indirect purchaser claims. Because of the number of cases before the Court and the need to establish procedures for the management of these cases, the Court ORDERS as follows:

1. APPLICABILITY OF ORDER. Prior to the initial case management conference and entry of a comprehensive order governing all further proceedings in this case, the provisions of this Order shall govern the practice and procedure in those actions that were

1 transferred to this Court by the Panel. This Order also applies to
2 all related cases filed in all divisions of the Northern District
3 of California and all "tag along actions" later filed in, removed
4 to, or transferred to this Court.

5 2. CONSOLIDATION AND/OR COORDINATION. The civil actions
6 transferred to this Court or related to the actions already pending
7 before this Court are consolidated for pretrial purposes. Any
8 "tag-along actions" later filed in, removed to, or transferred to
9 this Court, or directly filed in the Northern District of
10 California, will automatically be consolidated with this action
11 upon notice from the parties that the action should be related and
12 consolidated for pretrial purposes. No further motions will be
13 required. This consolidation does not constitute a determination
14 that the actions should be consolidated for trial, nor does it have
15 the effect of making any entity a party to any action in which he,
16 she or it has not been named, served or added in accordance with
17 the Federal Rules of Civil Procedure.

18 3. DATE OF CASE MANAGEMENT CONFERENCE AND AGENDA FOR
19 CONFERENCE. Matters relating to pretrial, discovery proceedings,
20 and coordination of the direct and indirect cases will be addressed
21 at the case management conference on Friday, June 1, 2007 at 1:30
22 p.m. before Judge Claudia Wilken in Courtroom 2, 4th Floor, United
23 States Courthouse, 1301 Clay Street, Oakland, CA 94612.
24 Defendants, Interim Lead Direct Class Counsel, and Interim Lead
25 Indirect Class Counsel shall be prepared to discuss a case
26 management schedule and proposals for coordination of the direct
27 and indirect cases. If the parties have any suggestions as to
28

1 additional agenda items for the initial case management conference,
2 these suggestions should be included as part of the joint case
3 management conference statement to be filed by May 22, 2007.

4 4. INITIAL CONFERENCE APPEARANCES. Members of the class
5 shall appear through Interim Lead Direct Class Counsel and Interim
6 Lead Indirect Class Counsel. All other parties represented by
7 counsel shall appear at the initial pretrial conference through the
8 party's attorney who will have primary responsibility for the
9 party's interest in this litigation. Parties not represented by
10 counsel may appear in person. To minimize costs and facilitate a
11 manageable conference, parties with similar interests may agree to
12 the extent practicable to have an attending attorney represent the
13 party's interest at the conference. A party will not by
14 designating a representative to represent a party's interest at the
15 conference be precluded from other representation during the
16 litigation, nor will attendance at the conference waive objections
17 to jurisdiction, venue, or service.

18 5. MASTER DOCKET FILE. All pleadings and filings shall be
19 made in the Master Docket File, No. M:07-cv-01819-CW. The caption
20 of each pleading shall read "In Re Static Random Access Memory
21 (SRAM) Antitrust Litigation" and, in addition to the master file
22 number, shall include the identification "MDL No. 1819." When a
23 pleading is intended to apply to all actions, this shall be
24 indicated by the words "This Document Relates to All Actions."
25 When a pleading is intended to apply only to all Direct Purchaser
26 Plaintiffs, this shall be indicated by the words "This Document
27 Relates to All Direct Purchaser Actions." When a pleading is

1 intended to apply only to all Indirect Purchaser Plaintiffs, this
2 shall be indicated by the words "This Document Relates to All
3 Indirect Purchaser Actions." When a pleading is intended to apply
4 only to an individual case, this shall be indicated by the words
5 "This Document Relates Only to Case No." with the corresponding
6 number.

7 6. FILING. This case is subject to Electronic Case Filing
8 (ECF), pursuant to General Order 45, Section VI of which requires
9 that all documents in such a case be filed electronically. General
10 Order 45 provides at Section IV (A) that "Each attorney of record
11 is obligated to become an ECF User and be assigned a user ID and
12 password for access to the system upon designation of the action as
13 being subject to ECF." If she or he has not already done so,
14 counsel shall register forthwith as an ECF User and be issued an
15 ECF User ID and password. Forms and instructions can be found on
16 the Court's Web site at ecf.cand.uscourts.gov. All documents shall
17 be e-filed in the master file, M:07-cv-01819-CW. Documents that
18 pertain to one or only some of the pending actions shall also be
19 e-filed in the individual case(s) to which the document pertains.
